

REACT NATIVE DEVELOPER

Top 3 reasons to join us:

- Self-organizing team with young and talent colleagues;
- Growing your knowledge not only in technology but also in finance and enterprise;
- You are empowered to try and fail in a start-up culture: creative, hunger, high energy & flexible environment.

The job:

We are looking for a React Native developer interested in building performant mobile apps on both the iOS and Android platforms. You will be responsible for architecting and building these applications, as well as coordinating with the teams responsible for other layers of the product infrastructure. Building a product is a highly collaborative effort, and as such, a strong team player with a commitment to perfection is required.

Responsibilities:

- Build pixel-perfect, buttery smooth UIs across both mobile platforms.
- Leverage native APIs for deep integrations with both platforms.
- Diagnose and fix bugs and performance bottlenecks for performance that feels native.
- Reach out to the open source community to encourage and help implement mission-critical software fixes—React Native moves fast and often breaks things.
- Maintain code and write automated tests to ensure the product is of the highest quality.
- Transition existing React web apps to React Native.

Your Skills:

- Firm grasp of the JavaScript and or TypeScript language and its nuances, including ES6+ syntax
- Knowledge of object-oriented programming
- Ability to write well-documented, clean JavaScript code
- Rock solid at working with third-party dependencies and debugging dependency conflicts
- Understanding of REST APIs, the document request model, and offline storage
- Experiences with automated testing suites, like Jest or Mocha

Benefits:

- Salary: Negotiate;
- Team building, company trip,;
- Annual leave;
- You will work the colleagues who are young and full of passionate intensity;
- You will work in an international team;
- You will have opportunities to have business trips to Vietnam, Cambodia, Bangladesh, Philippines, Thailand, ...;
- You will be empowered to do what you can prove;
- You will be trained carefully before implementing their task;

Working time and location:

- From Monday - Friday (9 A.M - 6 P.M)
- Kiu Myanmar Office: No.1266, Tower 02, Serene Condominium, Hantharwaddy 22nd Street, South Okkalapa, Yangon, Myanmar
